🔴 **Creat PDA file.**

_____

☑ **Easy SDE.**

Select "Freeze Seq" ,"Chase Bank" or "Chase Bank"
" Chase Bank"　Highly recommend

　Click "Export PDA file" and then upload " Zone", "Bank" or " Sequence".

Please name this file with "PDA.pda in Computer.

Save this file in Micro SD card
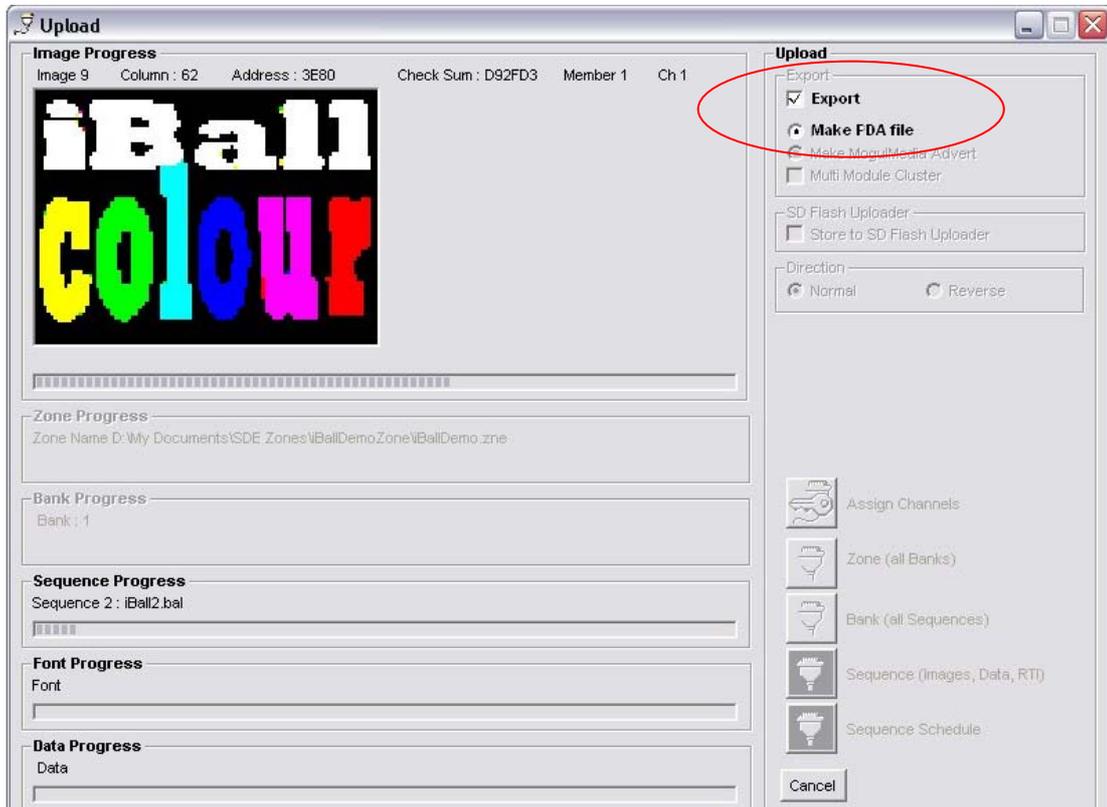

Insert it **Uploader**

Uploader will upload this PDA file to display every power cycle.

🔴 Creat PDA file.

_____

☑ Special Display Editor v 2.8.8

Select "Export" and "Make a PDA file". Then Upload Zone/Bank/Seq.

Click the 'Upload Sequence', 'Upload Bank' or 'Upload Zone' button, depending on whether you are making a 'Sequence', 'Bank or 'Zone' PDA file.

You will be asked to select a directory and file name.

Next you will be prompted to choose a preview image,

After complete uploading. SDE will create 2 PDA file such as " XXX.pda" and "XXX_reversed.pda" which is for standard/ reversed iball installation. Please select one of those by the type of installation.

How to upload PDA file in MicroSD card.

Rename PDA file and save file in MicroSD card.

Insert the MicroSD card to MicroSD card reader of PC. If you only have SD card reader, you might need a <u>MicroSD card adaptor</u> which make MicroSD to SD interface.

Rename the PDA file to "PDA.pda". and Save this file in Micro SD card.
Make sure there is only one file name "PDA.pda" in MicroSD card.
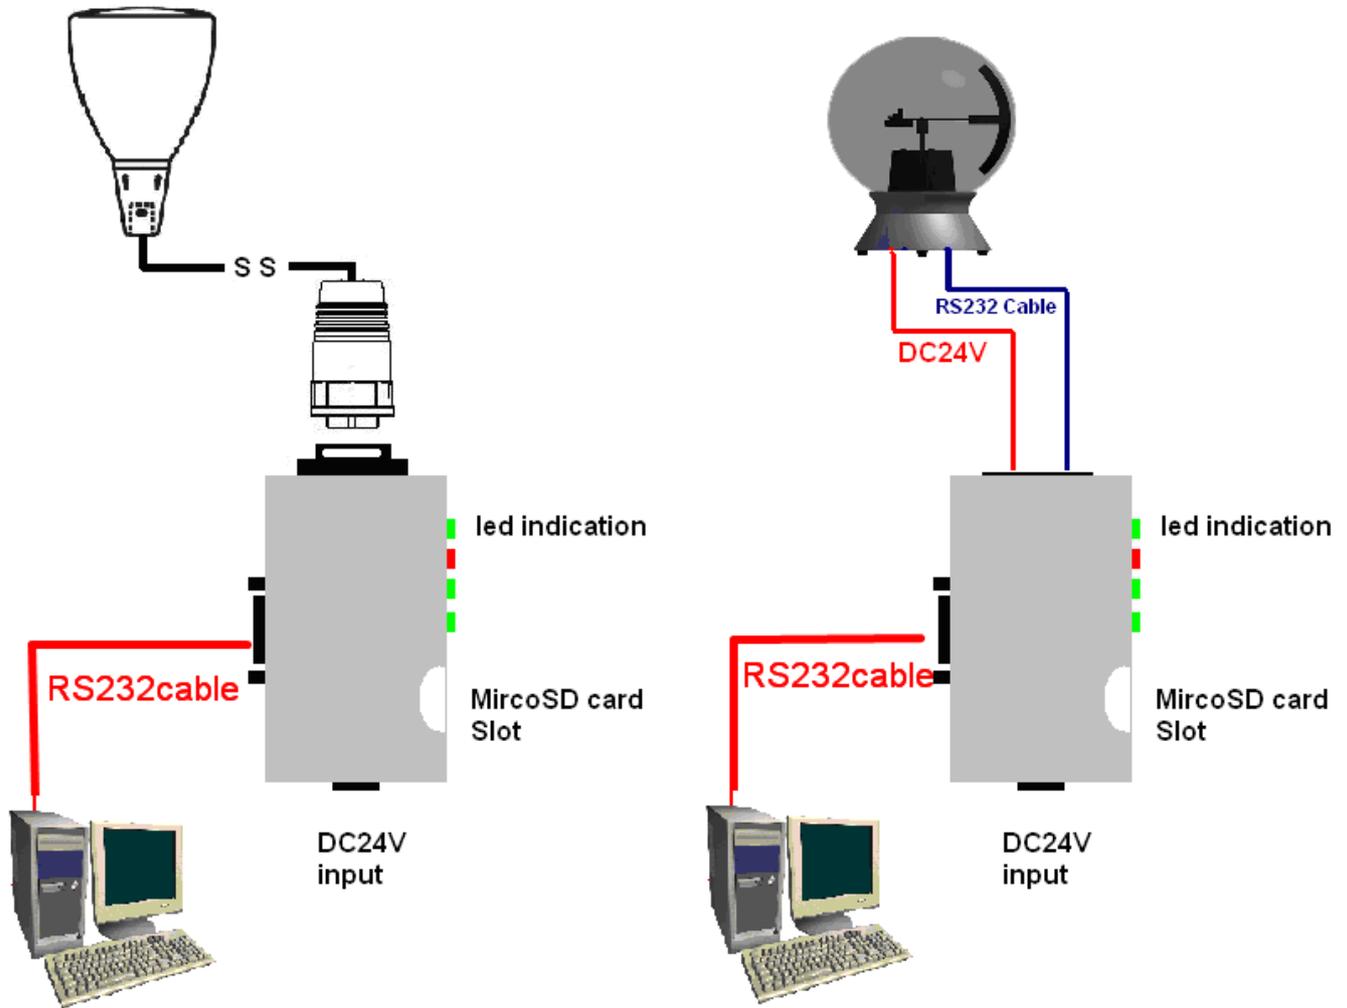

Take out the Micro SD card from Card Reader.

Insert MicroSD card into Uploader.

Connect Displayl to Uploader

Power on Display. Uploader will start to upload file within 40 seconds.

🔴 How to upload file from PC directly.

Connect device as above diagram.

Power on uploader and led device.

Wait for 40 seconds.

Uploader will upload the pda file inside MicroSD card if there is pda file in it.

Uploader's POWER led and Status LED is <u>BOTH ON</u> after uploading.

Run Special Display Editor or EasySDE in Computer.

**Click** "upload" in Special Display Editor or Easy SDE.
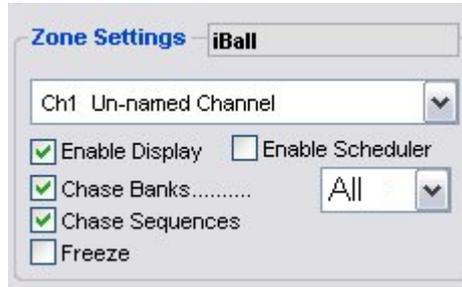

🔴 Trouble shooting.

_____

1. **Why does Display freeze on one image after Uploader uploading?**
   Pleaser rebuild PDA file and Make sure the zone setting is <u>Chase Bank</u> or <u>Chase Sequence</u> before
   Making PDA file.

   EasySDE   SPECIAL DISPLAY EDITOR

2 Error LED blinking

    .Unplug power and plug in agin.

    ..check the MicroSD is well connected in uploader.
